

24 March 2020

Coronavirus (COVID-19) update

First of all, we send best wishes and hopes that you and your loved ones are healthy and upbeat in this challenging time. Our top priority is the well-being of our employees, customers, families and communities. The entire India team is safe, and practicing social distancing. We are closely monitoring guidelines mandated by the Indian Government and giving swift response to all concerned stakeholders as the situation keeps evolving.

Currently, all office and supply chain activities are fully operational and manufacturing stands suspended. Everyone is practicing social distancing and working from home. We are maintaining all estimated shipping dates and project timelines, although site visits are suspended for the time being.

LightForms is a customer-focused company. We believe that in the spirit of practicing a holistic response to the pandemic, by supporting the Lighting industry, and the local community. For any temporary disruptions that do occur we apologise and ask for understanding as we do our best to navigate through this challenging time, hoping to continue to support each other as the crisis subsides.

We wish the best of health to you all, your families and communities.
