

# Ara Medium 84

Ara Medium Fixed Round (Trimless)  
DL-00003  
Ø88 mm x 110 mm

**LIGHT FORMS**

Down/Spotlights

## Specification

## Recessed

## Features

- Up to 2040 lumens
- Up to 108lm/W
- CRI97 R95 COB options available
- Binning < 2 step Macadam on all fixed white options
- Available in tuneable white
- Combined lens and reflector construction providing <15UGR at 50° cutoff
- Acrylic softening lens for smooth edges and even colour mixing for tunable white
- Large range of power options
- Hi-grade extruded aluminium heatsink
- Suitable for use in 50°C ambient temperatures at 20W and lower
- Engine IP54
- Cutout Ø100mm
- Available with a range of bezel colours and reflector finishes as standard.
- 0-100% dimmable.

## Housing

Extruded 6063-T6 grade aluminium, machined to ensure IP54 seal and optimum thermal performance.

## Bezel finish

The diecast bezel is available in black, white or a Custom RAL colour.

## Reflector Finish

The spun aluminium reflector is available in a wide range of finishes, both polished and satin, in a range of high quality metallic finishes as well as custom solid colours.

## Operating temperature

Luminaire can operate in ambient temperatures up to 50°C (excluding the 25W option which must not be operated in environments above 35°C). Luminaire operation in environments outside this temperature range voids the warranty AND may damage the product or adversely impact lamp life, lumen output and colour consistency.

## Warranty

5-year limited warranty.

## Manufacturing & certification

Products are manufactured in and comply with the health, safety and environmental protection standards of the respective region in which they are sold.

Europe

United Kingdom

Greater India  
and Middle East
