

Buffalo

BF049-LED
49mm x 200/300/500mm

LIGHT FORMS

Linear

The Buffalo luminaire boasts a tall, slender, and elegant form, making it a striking choice for sophisticated interiors—featured prominently in several M&S flagship stores. Available in both suspended and wall-mounted configurations, Buffalo can be specified as an individual fixture, continuous run, or custom-shaped configuration. When paired with our recycled felt panels, Buffalo also enhances acoustic sound absorption, providing both style and functionality. Rated IP40.
