

CV LED Tape RGB

15W/m IP20

LFTP-24V-160-IP20-15-RGB

LIGHT FORMS

Tape

This high-efficiency LED tape features 160 LEDs per metre for smooth, uniform illumination with minimal spotting.

Features

High-density output with 160 LEDs per metre for smooth, uniform light

Strong performance: 436 lumens per metre

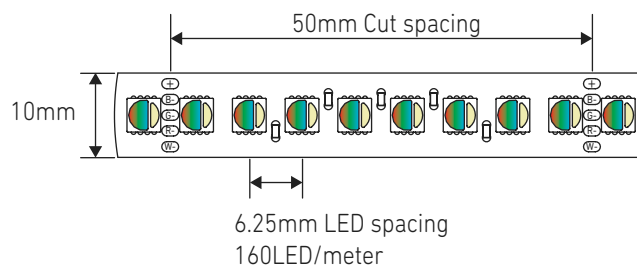

Efficient 24V system with 15 W per metre consumption

Slim 10mm PCB for versatile profile integration

5-year fixture warranty

Dimensions

CV LED Tape RGB

15W/m IP20
