Linear

Lightplane 1 Recessed Trim is a discreet, recessed fixture with a 25mm linear lens. Choose either a flat or tapered, chamfer aluminium trim. This small channel allows for minimal linear lighting in a recessed application. Driver is REMOTE.

## Features

Individual luminaires, continuous runs, or bespoke shapes

Direct distribution

Three standard output options

Tunable white and RGBW

Remote control gear as standard

DALI, 1-10V, DMX, and phase dimming

Smooth dimming down to 0%

<1% output ripple current for exceptional light quality

Remote sensors available, including DALI/DSI digital dimming and daylight harvesting

Remote emergency, Wireless, and Power over Ethernet (PoE)
